

Anthony Guarino, M. D., works with individuals and groups that want to achieve breakthrough results in pain management.

Dr. Guarino's work includes:

- Helping tens of thousands of patients manage chronic pain
- Directing the Pain Management Center at Barnes Jewish West County Hospital in St. Louis
- Teaching residents and fellows at Washington University School of Medicine, St. Louis, Missouri
- Lecturing on the use of medications for various pain management organizations
- Serving as an expert pain management resource for plaintiff and defense attorneys across the nation
- Speaking to organizations about how to achieve results in the area of pain management
- Writing. His book, *Reclaiming Your Life, Breakthrough Strategies in Low Back Pain Management*, will be released in 2007.
- Achieving the honor of Top Doctor in Pain Management by Doctors Across America every year since 2003

Dr. Anthony Guarino is a nationally recognized pain management expert and a celebrated clinician, teacher, author and researcher. His interest in pain management began during his undergraduate work at Yale University, and developed further during graduate studies in religion at Yale Divinity School. He completed a medical degree at the University of Maryland, an internship in medicine at Sinai Hospital in Baltimore and an anesthesiology residency and formal training in pain management at the Johns Hopkins Hospital.

Dr. Guarino serves as director of pain management services for Washington University at Barnes Jewish West County Hospital where he evaluates and treats not only the area of pain but the whole person.

What clients and patients have to say

“I only wish I had found you ten years ago. Thanks to your efforts my pain is controlled for the first time in years. I urge anyone who is suffering from chronic pain to seek you out.”

—LOIS CREAMER
Book More Business

“I want to extend our sincere appreciation for the effort you spent assisting us in this case. I believe your insight and analysis were major contributing factors in our ability to persuade the jury...”

—DOREEN A. GRAHAM
Casey & Meyerkord, Attorneys at Law

“Without the assistance and patience of fine doctors like you, it would be impossible for us to defend our physicians so vigorously.”

—MARY L. REIZ
Greensfelder, Hemker & Gale, Attorneys at Law

“During the past seven years I have asked Dr. Guarino to speak to many different groups. He is knowledgeable, approachable, engaging and entertaining. What I like best is that he tailors his comments to fit his specific audience. I would definitely recommend him as a medical speaker!”

—MIKE MCCORMAC
Pharmaceutical Representative, Cephalon
